

HUNGER FOR JUSTICE - Wednesday, July 31st

On Wednesday July 31st, people around the world will fast and take other peaceful non-violent action in solidarity with the California Prisoner Hunger Strikers. **Join family members of hunger strikers along with James Cromwell, Angela Davis, Mike Farrell, Danny Glover, Elliott Gould, Chris Hedges, Alice Walker, and Cornel West.** We fast knowing that the criminalization that killed Trayvon Martin, and the criminalization that justifies the torture of prisoners in solitary confinement are one and the same.

We fast in solidarity with the demands of the hunger strikers. And we fast to get justice for Trayvon and for people of every gender, race and religion who have been killed by state and vigilante violence. **Support efforts everywhere for Justice for Trayvon Martin.**

“We have taken up this hunger strike and work stoppage... not only to improve our own conditions but also an act of solidarity with all prisoners and oppressed people around the world.” *Hunger Strikers in the Short Corridor Collective at Pelican Bay State Prison SHU*

Join us to help win the 5 demands of the California Prisoner Hunger Strikers:

1. End Long-Term Solitary Confinement
2. Abolish the Debriefing Policy, and Modify Gang Status Criteria
3. End Group Punishment & Administrative Abuse
4. Provide Adequate and Nutritious Food
5. Expand and Provide Constructive Programming

On July 30th the families and loved ones of prisoners on hunger strike are visiting Sacramento to demand that Governor Brown pressure the California Department of Corrections and Rehabilitation to enter into negotiations with the hunger strikers. **Call California Governor Jerry Brown and let him know you're fasting in solidarity with the strikers, ask him to meet the strikers demands: (916) 445-2841, (510) 289-0336, (510) 628-0202.**
