

WARNING

The photos from Larry Eugene Price's autopsy are disturbing. We're publishing them at the request of Price's family who wish to display the horror of his condition and the abuse and neglect that occurs in America's jails.

Price's autopsy photo, taken Aug. 29, 2021, shows at his death, Price weighed 90 pounds on a 6 foot, 2 inch frame.

Price's bloated and wrinkled feet from soaking in standing water soiled with feces and urine.
